President of the ISDE 2008 Congress

The 11th ISDE World Congress will be held in Budapest, Hungary in 2008. It will be the first time the central part of the old continent has been given the opportunity to organise such a prestigious event. In the heart of Europe we wish to arrange a genuine world congress! Professionals dealing with diseases of the esophagus, gastroenterologists, oncologists and surgeons who have established the ISDE, as well as everybody interested are most welcome and kindly invited to the high level scientific meeting, our congress which promises a great experience and a delightful trip to Budapest.
